Ambika Sharma - Pulp Strategy Communications

January 09, 2015

Ambika Sharma, a thorough bred marketing professional with an experience of more than 15 years in new age marketing and technology integration, spearheads Pulp Strategy Communications as the Founder & Managing Director. She is the first generation entrepreneur and visualizes Pulp Strategy Communications to be the largest independent agency in India, creating value for clients in the form of better connectivity, stronger content, meaningful mobility, intelligent engagement and seamless experiences through cutting edge technology, research, innovation, talent and training.

Ambika Sharma, a thorough bred marketing professional with an experience of more than 15 years in new age marketing and technology integration, spearheads Pulp Strategy Communications as the Founder & Managing Director. She is the first generation entrepreneur and visualizes Pulp Strategy

Communications to be the largest independent agency in India, creating value for clients in the form of better connectivity, stronger content, meaningful mobility, intelligent engagement and seamless experiences through cutting edge technology, research, innovation, talent and training.
